

# Easy, Convenient, Computer-based Concealed Carry Permit Class

Do the Classroom training at your convenience

And then schedule your practical, real world shooting time at the range to complete your course.

**ONLY \$75.00**

Whether you are a current or prospective gun owner in search of training, this class will supply you with the knowledge and skills that will increase your confidence in safe gun handling.

Our intent is to ensure that you feel confident about your ability to safely handle your firearm, that you know the proper way to load, unload, and maintain your firearm, and that you also understand the legal implications involved with firearms use. Our classes are fun, educational, and engaging. Each training situations designed to make the beginner and experienced shooter feel comfortable.

We use the range activity time to instruct students on basic shooting fundamentals and to allow them to practice these skills in realistic self-defense situations that may arise in your home, a parking lot, or while at work.
